Dear Corporate Friend,

Wiawaka Center for Women located on beautiful Lake George has been enriching, inspiring, and celebrating the growth of women through unique and relevant programming for over a century. Founded in 1903 it is the oldest and longest continuously operating retreat for women in America. Wiawaka continues to offer a restorative experience in a natural and peaceful setting. Day passes, season passes, overnight stays, healthy fresh meals, fitness programs, healing workshops and more are offered as a respite from the hectic pace of life.

Wiawaka Center for Women will host the 2019 Ladies of the Lake Luncheon and Fundraiser on Monday, June 17, 2019 at the Lake George Club. Approximately 150 women from the Adirondack region and Capital District are expected to attend the event. Proceeds from our silent auction, program ads and sponsorships will be used to:

- Offer financial support to underserved women for respite.
- Provide programs focusing on health and wellness, self-expression and life skills.
- Preserve the Wiawaka property which is currently on the National Register of Historic Places.

You can assist Wiawaka Center for Women by becoming a Diamond, Emerald, Opal or Pearl **Sponsor**.
